

R-Ladies Irvine Kickoff

May 16, 2018, 7-8:30pm @ UCI, Rowland Hall 306

Join us for the kickoff meeting of R-Ladies Irvine, where we will:

- Network while munching on R-shaped cookies.
- Present an introduction to R-Ladies.
- Plan some R-some activities for the year.

To RSVP, join the **R-Ladies Irvine Meetup**.

About R-Ladies Irvine

R-Ladies Irvine welcomes members of all R proficiency levels, whether you're a new or aspiring R user, or an experienced R programmer interested in mentoring, networking & expert upskilling. Our community is designed to develop our members' R skills & knowledge through social, collaborative learning & sharing while supporting minority identity access to STEM skills & careers, the Free Software Movement, and contributing to the global R community!

As a local chapter of **R-Ladies Global**, R-Ladies Irvine exists to promote gender diversity in the R community worldwide. We are proactively inclusive of queer, trans, and all minority identities, with additional sensitivity to intersectional identities. Our priority is to provide a safe community space for anyone identifying as a minority gender who is interested in and/or working with R. As a founding principle, there is no cost or charge to participate in any of our R-Ladies communities around the world.

We are part of the **Global R-Ladies group**. You can access our presentations, R scripts and Projects on our **Github account** and **follow us on twitter** to stay up to date about R-Ladies news!

If you have questions, please **contact us** at irvine@rladies.org.
