

R-Ladies Irvine

Navigating the Tidyverse: ggplot2

June 27, 2018, 7-8:30pm @ UC Irvine, DBH 2011

Join us for our workshop on the wonders of ggplot2, where we will:

- Learn the fundamentals of ggplot2
- Create informative and colorful plots
- Network while munching on healthy snacks
- Pick up some tidyverse hex and NASA stickers

Please bring your laptops and have **R**, **RStudio**, and the **tidyverse** installed.

To RSVP, join the **R-Ladies Irvine Meetup**.

About R-Ladies Irvine

R-Ladies Irvine welcomes members of all R proficiency levels, whether you're a new or aspiring R user, or an experienced R programmer interested in mentoring, networking & expert upskilling. Our community is designed to develop our members' R skills & knowledge through social, collaborative learning & sharing while supporting minority identity access to STEM skills & careers, the Free Software Movement, and contributing to the global R community!

We are part of the **Global R-Ladies group**. You can access our presentations, R scripts and Projects on our **Github account** and **follow us on twitter** to stay up to date about R-Ladies news!

If you have questions, please **contact us** at irvine@rladies.org.
